Tuesday, August 19, 2008
8:30 A.M. @ City Hall Conference Room 10

1. **Public Comment:**
2. **Approval of June 2008 Minutes M/S Powers/Richardson**

ACTION ITEMS:

3. **Walsh Street – Safety Mapping**
Lisa Worthington, 174 Tuttle Street

No show again; this item will drop off the agenda.

DISCUSSION ITEMS:

4. **Remove 3-hour Parking Limit at the Law Library on Lincoln Way**
Michael Searcy

Mr. Searcy spoke about the time limited parking near the Law Library. Between the Parking Study and the Courts being closed at this time should free up parking spaces.

5. **Tuttle Tract Neighborhood – Opposition of new Signage**
Mark Gibson, Tuttle Street

Several neighbors spoke regarding the new signage and felt that they hadn't been properly notified and most hadn't seen the petition that was circulated by Morris and Worthington. Given those issues the City will initiate a new ballot type survey of the Tuttle area that Chief Harris will draft. We will request that Public Works prepares a map and mailing list – including both owners and renters of these properties. The contents of the letter will provide a brief background, and obtain an idea how all neighbors feel about no right turn from Elm onto Tuttle, leave it as is, or create a four-way stop at Tuttle and Center. The four-way stop sign idea was brought forward by the majority of the folks present. City Manager Richardson wants to make sure that any new signs meet State warrants. A note will be placed on the survey stating that the four-way stop sign is only being considered, and may not be warranted based on engineering department's evaluation of the intersection. The final motion: send out the survey, have the item on the next agenda in Oct and remove the no right turn only signs for now.

6. **Landis Circle Traffic Issues: Speed Control and No Parking Signage**
Mr. & Mrs. Pete Hayward, 750 Landis Cr.

No show; item will carry over next meeting.

7. Indian Hill Safe & Secure crosswalk Discussion

Krista Johnson & Gregory Baker, United Auburn Indian Community

With increased pedestrian traffic and the folks now using the UAIC meeting room it was felt that they bring in K.D. Anderson to access the traffic and need for a pedestrian signal. The committee listened to the concepts that K.D. Anderson brought forward; the applicant will provide final drawing to Public Works for engineering approval after the City Manager speaks with PW Director, Warren and walk the area one more time.

8. 1439 Lincoln Wy – Alta Vista School Site Closed – Removal of Stop Sign

John Benson

A fact sheet on staff's evaluation and recommendations of the effectiveness of the Alta Vista School stop sign at Electric will be prepared and this issue will be on the next meeting agenda.

9. Remove Traffic Sign Blocking Access on Brook Rd & Virginia

Robert Barker

Schroeder and Thorpe will meet with the property owner and relocate the sign accordingly.
